Mr. Michael VanDenburg

Michael,

I wanted to thank you for the outstanding service RENU Restoration provided the district during the flood "Event" of January 4<sup>th</sup> 2012.

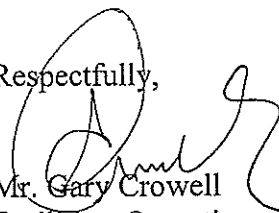

RENU Restoration has again exceeded my expectations in providing the services required to regain the use of classrooms affected by this event.

From the very beginning your project manager (Joe Ewald), service technicians and support teams were supportive, understanding and extremely accommodating to both me and the district staff.

This event posed significant challenges to your team but through it all they were focused and delivered the services required with a caring and professional attitude.

On behalf of the Center Moriches School District I thank you again for an extraordinary job.

Respectfully,

Mr. Gary Crowell  
Facilities, Operations, Maintenance & Compliance Officer  
Center Moriches School District
