## SPECIALTY ITEM

### Techstyle® Composite - Fiberglass

Techstyle delivers both sound and vision,  
combining acoustical performance with  
extensive finish options, including felt, colors,  
wood looks and custom graphics.

### UNIQUE CONSTRUCTION

The extraordinary features of  
Techstyle® ceilings all stem  
from its unique construction.  
Comprised primarily of fiberglass,  
the panel's channeled honeycomb  
interior delivers incredible  
performance benefits, while  
the exterior is an ultra-smooth  
fabric surface with a premium  
appearance that elevates any  
design.
